

Become a Business Sponsor

Thank you for considering sponsorship!

CLC relies on donations from individuals, foundations, and business sponsors like you. Your support helps us protect family farms, manage over 2,500 acres of land for public access and wildlife habitat, and work with private landowners and community members to preserve Columbia County's rural character. We recognize all our business sponsors, as described below. Contact Erica Hann with questions at erica.hann@clctrust.org or 518.392.5252, ext. 202.
