

2018 CLC Public Conservation Area Fishing Monitor Duties and Responsibilities

In exchange for fishing privileges at Columbia Land Conservancy (CLC) owned Public Conservation Area, the monitors' responsibilities will include:

1. Helping CLC to keep the site clean and free of litter; especially bait cans, old line and other fishing related garbage. The Conservancy will provide you with trash bags if you need them.
2. Periodically assessing and spot checking who is fishing at the conservation area and accounting for any illegal or questionable activity. This would include fishing out of season, fishing without a permit, failure to park in designated area, failure to carry a valid permit or fishing license, or anything else other than what is specified on the permit issued by Columbia Land Conservancy.

****Monitors do not have the authority to ask visitors to leave a site or to confront them, other than to provide info about the fishing permit program as a CLC ambassador. We ask that you observe and report, leave any policing to CLC and the local authorities.**

Environmental Conservation Officers: Officer Cox- 518.794.8935 Officer Davy- 518.414.6083 Dispatch- 877.457.5680

3. Reporting any troublesome activities to CLC. Reports should be left with **Nate Davis 518.392.2546 or nate.davis@clctrust.org.**
4. Assuring that the property is adequately posted with Fishing by Permit Only signs and NYS Fishing regulations at parking area kiosks and other spots throughout the property. The Conservancy has additional signs if you need them.

All monitors should carry their valid New York State fishing license and CLC permit.

Please sign the form below, if you agree to the terms, and return to Nate Davis at 49 Main Street, Chatham, NY 12037.

A copy of the signed agreement will be provided to you.
Thank you for your assistance, we look forward to working with you.
