Enjoy Your Day,
Respect the Setting.
Please follow these rules in order to ensure you and others can have a safe, enjoyable time while visiting this site today.

• Site is open dawn to dusk
• Please leash your dog and remove all waste
• Follow Leave No Trace guidelines - take only photos, leave only footprints. We do not allow alcohol, open fires, or the use of drones without permission.
• Hunting and fishing are by permit only. Camping and swimming are prohibited.

Explore with Us!
CLC hosts regular educational programs at this site and other Public Conservation Areas. Visit clctrust.org/events to learn more.

About the Mascot
Each of CLC's Public Conservation Areas features a unique mascot created by local artist Roberta Wilson, inspired by an animal that lives at the site. Overmountain's mascot is the American Kestrel. This small falcon can commonly be seen perched on wires near open grasslands.

Thank You
We thank Harney & Sons Tea, the Wellspring Foundation, and Greenagers for support maintaining this site. The purchase of the Round Ball Mountain portion of the site was possible with assistance from private donors and a grant from the New York State Environmental Protection Fund.

CLC reserves the right to photograph or video visitors and program participants for promotional use, and usage of our properties implies consent.
