Conservation Partners

Conservation easement property owners are among our most vital partners. Living on conserved land now and stewarding it for the future is a commitment that benefits all Columbia County residents and visitors. Easements are created in perpetuity. While some of our original grantors are no longer living or have sold their land, we honor their vision and include them here. This list includes all easement grantors and property owners as of December 31, 2018. Every effort has been made to produce an accurate listing of supporters, but please contact Chris Young at 518.392.5252, ext. 221 or heidi.bock@clctrust.org to note any corrections.
