

22 NYS-Regulated Wetlands

-  NYS-regulated wetland
-  Interstate/parkway
-  Other major road
-  County road
-  Municipal boundary
-  Waterbody
-  Stream

Data Sources
 NYS-regulated wetlands data from NYS Department of Environmental Conservation, 2013, updated 2015, available from gis.ny.gov. Streams and waterbodies data from the National Hydrography Dataset, US Geological Survey, 2013, available from nhd.usgs.gov. For roads and boundaries data sources see Figure 1. Map created by Hudsonia Ltd., Annandale, NY.

Figure 22. New York State-regulated wetlands in Columbia County, New York. Other wetlands are not shown. All jurisdictional wetland determinations and boundaries should be made on the basis of field observations. Columbia County Natural Resources Inventory, 2018.
