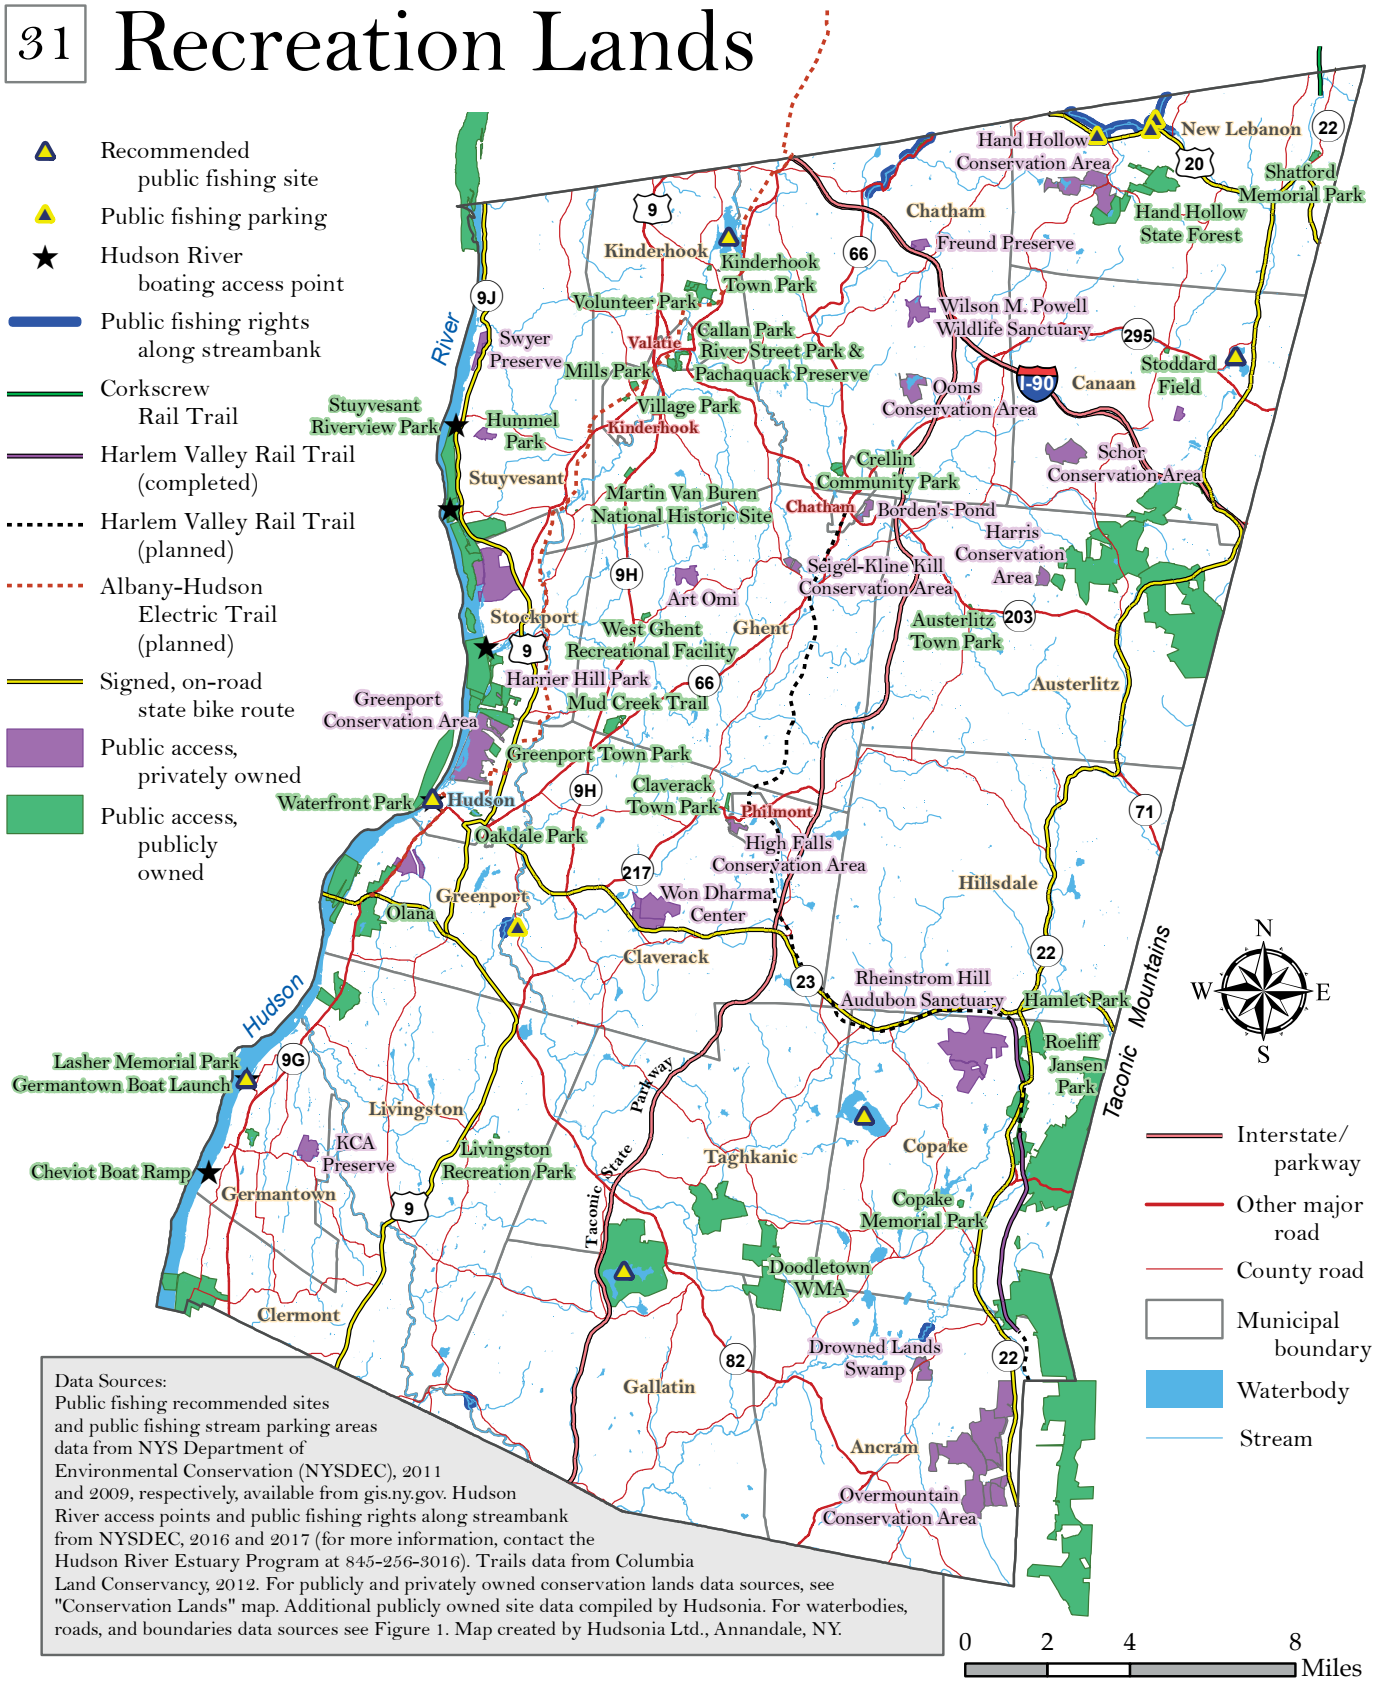
31 Recreation Lands



Data Sources:
Public fishing recommended sites and public fishing stream parking areas data from NYS Department of Environmental Conservation (NYSDEC), 2011 and 2009, respectively, available from gis.ny.gov. Hudson River access points and public fishing rights along streambank from NYSDEC, 2016 and 2017 (for more information, contact the Hudson River Estuary Program at 845-256-3016). Trails data from Columbia Land Conservancy, 2012. For publicly and privately owned conservation lands data sources, see "Conservation Lands" map. Additional publicly owned site data compiled by Hudsonia. For waterbodies, roads, and boundaries data sources see Figure 1. Map created by Hudsonia Ltd., Annandale, NY.
