Nature Quest is a fun, interactive way to explore the trails! Just look for the Nature Quest symbol to start your adventure.

Bat Loop Trail - 0.6 miles

Narrow, forested, packed earth trail through a forest. Some exposed roots and rocks on trail surface. Bench at scenic view. Maximum grade 11%.

Salamander Loop Trail - 0.9 miles

Narrow, forested, packed earth path through a forest. Some exposed roots, uneven surfaces, and wooden bridges over temporary pools and muddy areas. Trail is especially wet in spring and summer. Bench at scenic view. Maximum grade 5%.

Trails may be muddy or icy during wet weather. Some trails may have standing water after heavy rain.
