Nature Quest is a fun, interactive way to explore the trails! Just look for the Nature Quest symbol to start your adventure.

### Waterfall Way - 0.6 miles

Narrow, forested, packed earth trail. Grade of 6% or less after initial steep descent. Several footbridges. Bench available at overlook.

### Agawamuck Trail - 0.2 miles

Narrow, forested, packed earth trail with some exposed roots and large rocks. No access to waterfall view from this trail. 12% grade on connectors from Waterfall Way, otherwise flat streamside trail.

### Hemlock Trail - 0.3 miles

Narrow, forested, packed earth trail with some exposed roots. Grade of 6% on descent to streamside.

Trails may be muddy or icy during wet weather.
