

FARM advisor request form:

Welcome to the FARM Advisors Program!

The Columbia Land Conservancy and Dutchess Land Conservancy partner with local advisors to provide free on-site farm evaluations to help you gain a better understanding of your property's agricultural potential and to help you develop steps you can take to prepare your land to support a farm operation.

In order to ensure that you get the most out of this service, we ask that you read through the following materials before scheduling your site visit. Once completed, please return this signed form and CLC staff will contact our FARM advisors to find the next available advisor for your visit.

Please keep in mind that our FARM advisors are volunteers and have limited availability. We will do our best to get your site visit scheduled as soon as possible and thank you in advance for your patience.
