Trail Tenders

**Role Description:** This role visits sites regularly (ideally once a month), to inspect trails for safety and management issues. Trail Tenders are trained to perform light, routine maintenance tasks such as inspecting trails and trailheads for damaged infrastructure, pruning vegetation that is invading trails, refilling brochure boxes, trash pick-up, and alerting staff of trail issues such as fallen trees or branches that block trails, and damages to infrastructure.

**Reports To:** The Public Lands & Community Engagement Coordinator, Volunteers@clctrust.org.

**Schedule:** To be determined by volunteer's availability and preferences. The Public Lands & Community Engagement Coordinator will contact you to discuss scheduling possibilities and options.

**Location:** To be determined by volunteer's availability and preference.

**Qualifications**
- Participate in one annual volunteer training held by CLC.
- Track hours regularly.
- Compliance with CLC community guidelines.
- Ability and willingness to communicate regularly.
- Must be comfortable hiking 1-3 miles on variable trail conditions.
- Basic plant & weed identification.
- Experience with hand tools such as pruners and loppers.

**Expectations & Responsibilities**
- Inspect trails and trailheads at least once a month.
- Report infrastructure issues or concerns promptly.
- Report trail issues or hazards promptly.
- Demonstrate professionalism and respect for all staff and visitors.
